## FINGERPRINT CARD INSTRUCTIONS FOR OCCUPATIONAL THERAPY APPLICATIONS

It is your responsibility to have your Fingerprint Card (FBI FD-258) completed by an authorized finger printer. Your local police or sheriff department generally has an authorized finger printer. They may charge you an additional fee for completing the card and taking your fingerprints. We recommend that you take these instructions with you to the finger printer.

## **Instructions for Applicants:**

Please fill out blocks 1 –15 as shown on the sample card on the next page, using the Block Number Instructions listed below. All information must be typed or printed in **BLACK** ink. If your fingerprint card lacks any item, it cannot be processed. Check with the Fingerprint Technician if you have any questions. The technician will then take your fingerprints.
